## Notes from Mrs. Del Prete:

HAPPY NEW YEAR! I hope everyone had the time to relax and rest up during winter break. As the faculty and I prepare to move into the second semester of this school year, I am encouraged and excited about what lies ahead for the students of Bridgeview Elementary School! Here at school we are ready to make 2018 a year filled with success and opportunities to grow through hard work and dedication. The hard work is the responsibility of all of us – teachers, students, families, and administrators. I know together we can make learning an exciting venture. Parents, our commitment to you is to help support your children in acquiring the necessary skills, understandings, attitudes, and qualities that will equip them in becoming successful, productive citizens. In turn, I ask that you please make sure that your children are on time and ready for learning each day.

Remember tardiness hinders successful learning!

**Arrival: 8:15A.M.      Dismissal: 2:30P.M.**

## Student Ambassadors

This winter, Student Ambassadors kept up their holiday tradition of sending cards to deployed troops through the organization, Operation Gratitude. Cards are included in care packages that are sent to troops abroad during the holiday season. Ambassadors worked diligently to create sentimental, heartwarming messages in their cards, thanking soldiers for their service and wishing them well this Christmas and New Year. It has always been important to this group to think of others through service, and bring smiles to the faces of many around the world.
