## August/September Newsletter cont.

Welcome to the start of a new school year at Brodnicki. We look forward to celebrating many positive results as the year progresses. Our newsletters will feature and highlight outstanding student accomplishments, share information about the services available in the school, focus on parent/community involvement, describe how we are keeping our school safe, and a list of upcoming dates to keep you informed and involved.

I invite you and your children to check out our district website for informative information and educational games and activities at [www.isd109.org](http://www.isd109.org). We want you to know “what’s happening” at Brodnicki School, and encourage you and your family to get involved. I want to thank everyone for their efforts towards our fundraisers. With your support you have provided our school with birthday books, school assemblies, room parties, book fairs, school dances, and countless other beneficial programs and materials.

Our faculty is an incredible group committed to academic excellence. Together we will renew our dedication to learning as we celebrate goals that we can achieve together. Learning is our #1 priority. Your children are our first priority and with your support we will continue to accomplish great things.

Indian Springs School District #109 is looking to add to its list of available substitute teachers and substitute paraprofessionals. If you are interested in being a substitute in our School District, please contact Mrs. Mary Ann Hotzfield, School District Receptionist, at (708) 496-8700. The eligibility requirement to be a substitute teacher is to possess a teaching license or a substitute teacher license (the substitute teacher license requires a Bachelor’s Degree). The eligibility requirement to be a substitute paraprofessional is to possess a paraprofessional license. Feel free to contact Mrs. Hotzfield for further details.
