February 2017

## From the Principal...

Dear Lyle Families;

As our second quarter concludes this month, I reflect on how quickly time has passed. So far, this year has been filled with many positive learning experiences for our students. I am extremely proud of all that we have been able to accomplish in the first half of the school year and look forward to an even more successful second half. Thank you for your continued support at home and at school. Lyle School is fortunate to have a strong volunteer base and very supportive community! The staff of Lyle School is dedicated to the success of all students and focus on the education of the whole child.

Sincerely,  
Ms. Nuray Kavustuk  
Principal

### Family S.T.E.M Night

Lyle School Families, please join us February 9, 2017, for our first ever Family S.T.E.M. Night. This is a great opportunity for you to see how our teachers make learning fun. There are several family friendly activities planned for the evening. Activities begin promptly at 6:00 p.m. and conclude at 7:30 p.m.

*We hope to see you there!*

### Winter Weather:

Cold wintery weather is upon us... Don't forget to send your child to school with a winter coat, hat, and gloves. We will continue to have outdoor recess and it is important that students be dressed for the outdoors. On snowy days, recess will still be held. We will go outside every day the "feels like" temperature is at or above 20 degrees.

### Emergency School Closing

In extreme weather conditions, please make sure to check our district website for the most up to date information on school closing: [www.isd109.org](http://www.isd109.org)

### Interested in Substitute Teaching...

Indian Springs School District #109 is looking to add to its list of available substitute teachers and substitute paraprofessionals. If you are interested in being a substitute in our School District, please contact Mrs. Mary Ann Hotzfield, School District Receptionist, at (708) 496-8700. The eligibility requirement to be a substitute teacher is to possess a teaching license or a substitute teacher license (the substitute teacher license requires a Bachelor's Degree). The eligibility requirement to be a substitute paraprofessional is to possess a paraprofessional license. Feel free to contact Mrs. Hotzfield for further details.
