

Lyle Elementary School

May 2017

From the Principal...

Dear Lyle School Family:

Our school year is certainly coming to an end quickly. It is always this time of year that we find ourselves saying, "Where did the time go?" This year is no different! The end of the school year is filled with exciting events:

Ms. Adeszko and Ms. Houk have been hard at work planning our Talent Show; which will take place on May 12th. 6th grade students will celebrate their hard work at our D.A.R.E. Graduation on May 18th.

Ms. Wildman and Ms. Sanchez are putting the final touches on our annual Walk-a-Thon scheduled for May 19th.

Ms. Brown is busy planning Field Day which is set for May 24th. This is yet another opportunity for the children to get outside and exert some energy. The day's events will begin at noon and children will go through a series of different games related to physical education.

Our 4th through 6th grade Awards Assembly will be held on May 25th at 9:00am. Parents are encouraged to join us for this event. Kindergarten through 3rd grade awards may take place according to teacher discretion and you will be notified by your child's teacher as to his/her plans.

We hope that you'll be able to join us for some or all of these events! The last day of school for the children is May 26th. This will be a full day of school with dismissal occurring at 2:30 pm on this day.

As the school year winds down, I would like to express my sincere gratitude for your partnership and support.

Sincerely,
Nuray Kavustuk
Principal

Dates to Remember

Dress Code

Now that the weather is warming up, we wanted to remind everyone about our dress code. Belly shirts, tank tops (spaghetti straps), halter/tube tops and shorts or skirts that are above mid-thigh are prohibited. No undergarments should be showing at any time. If your child wears flip flops or sandals, please remember that they will still need sneakers for recess and gym.

Remind

Remind is a free, safe, and simple messaging tool that helps Lyle School share important updates and reminders. Subscribe by text, email or using the Remind app. All personal information is kept private. No one will ever see your phone number, nor will you see theirs.

To receive messages via text, text @lylee to 81010. You can opt-out of messages at any time by replying, unsubscribe@lylee.

Advanced Registration for the 2017--18 School Year

Don't forget to take advantage of the School District #109 Advanced Registration Process! Those who are eligible are strongly encouraged to participate! When the process is successfully completed, your child(ren) are officially registered for school for the upcoming school year. In turn, your presence during the General Registration Period in August will not be required. The Advanced Registration Process will open the first day of school attendance following our Spring Break and will continue into the summer. At that time, parents/guardians are invited to request an Advanced Registration Packet from their current school. Eligibility requirements for the 2017-2018 school year will include, but not be limited to, students registering for grades 1-8 who will be returning to the same District #109 school as in the previous school year. The only exception to this rule will be those students that will be advancing from sixth grade to the junior high school. We look forward to a successful and beneficial Advanced Registration procedure as we head into the 2017-2018 academic year!

Afterschool Pick-up/Drop-off Procedures

Our p.m. pick-up procedures are becoming a concern, please make sure you are adhering to our policies. You may park your car on the east side of 78th Court and wait for your child. Please never drop-off or pick-up your child in the middle of the street.

The safety of our children has to remain at the forefront of our decisions. I ask that you please respect our crossing guards, speed limit, cell phone use policy, and procedures.

If you should have any questions or concerns, please do not hesitate to contact me.

Interested in Substitute Teaching...

Indian Springs School District #109 is looking to add to its list of available substitute teachers and substitute paraprofessionals. If you are interested in being a substitute in our School District, please contact Mrs. Mary Ann Hotzfield, School District Receptionist, at (708) 496-8700. The eligibility requirement to be a substitute teacher is to possess a teaching license or a substitute teacher license (the substitute teacher license requires a Bachelor's Degree). The eligibility requirement to be a substitute paraprofessional is to possess a paraprofessional license. Feel free to contact Mrs. Hotzfield for further details.
