Possession of a cellular telephone by a student is a privilege, which may be forfeited by any student who fails to abide by the terms of this policy. **A student may possess a cellular telephone in school, on school property, at after school activities and at school-related functions, provided that during school hours and in school buildings, the cell phone remains off and must be kept in the student's locker.** Students must have a signed parent permission form on file with the school office to have the privilege to have a cell phone on school property.

Before and after school, phones may only be used outside of the school building. Violations of this policy will result in confiscation of the cellular telephone and/or loss of the privilege to carry one. Parents will have to pick up confiscated cellular phones. The student who possesses a cellular phone shall assume all responsibility for its care. **At no time shall Indian Springs School District or Wilkins Junior High School Staff be responsible for preventing theft, loss, or damage to cell phones or other electronic devices brought onto school property.**

**Acceptable Use Policy:**

While using personal or school-owned digital devices (e.g., e-Readers, Kindles, etc.), students/staff are expected to follow the same acceptable use policies and practices for conduct and ethics that are outlined in the school district's Acceptable Use Policy which pertains to the appropriate use of computers and computer networks. In addition, be aware, should students/staff choose to bring such personal digital devices to school, the decision to do so is based on personal choice. Therefore, each student/staff member is responsible for his/her own personal property. The school district shall not be held accountable for the potential damage, loss, or theft of these devices. School District #109 requires parents/guardians to sign-off on their acknowledgement of its Acceptable Use Policy.
